Headstone: Cross
St. Avold (France) U. S. Military Cemetery

Mr. Jacob A. George 2910 Woodland Avenue Baltimore, Maryland

Dear Mr. George:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

M. FELDMAN
Major General
The Quartermaster General

Mr. Jacob A. George 2910 Woodland Avenue Baltimore, Maryland

Dear Mr. George:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World Wer II. The Quarter-master General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the Wer Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pemphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN Major General The Quarternaster General
