Mr. and Mrs. Joseph C. Slankard
2817 20th
Great Bend, Kansas

Dear Mr. and Mrs. Slankard:

Several years have elapsed since the cessation of hostilities of World War II, which cost the life of your son, the late Technician Fourth Grade Euan J. Slankard.

It is with deep regret that your Government finds it necessary to inform you that further search and investigation have failed to reveal the whereabouts of your son's remains. Since all efforts to recover and/or identify his remains have failed, it has been necessary to declare that his remains are not recoverable.

Realizing the extent of your great loss, it is with reluctance that you are sent the information that there is no grave at which to pay homage. May the knowledge of your son's honorable service to his country be a source of sustaining comfort to you.

Sincerely yours,

J

SUBJECT: Non Recoverable Remains

TO: Non Recoverable Board, AGRC

1. It is recommended that the Board take Action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing in Action or Killed in Action during ground or air operations in the department of Moselle, France, from the period 5 September 1944 to 16 March 1945. Extensive area searches as well as individual investigation have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of Moselle have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Moselle department, for the most part, consists of farm, pasture and forested areas which has been under constant cultivation and supervision by farmers and forest guards, since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide

GROP 293.9

SUBJECT: Non Recoverable Remains

evidence and the lack of association with recovered unknowns would tend to substantiate these conclusions. It is recommended that the remains of the individuals listed in these Board Proceedings be considered Non-Recoverable under the provisions of paragraph 3b, Letter, Office of The Quartermaster General, file QMGMP 293, Subject: Processing Board Findings of Non-Recoverability Return of World War II Dead Program, dated 25 March 1949.

Reference is made to: OQMG Forms 371; After Action Reports, and Casualty Clearance Plan; concerning each decedent; Reports of Field Investigations previously forwarded to The Office of The Quartermaster General, pertaining to resolved casualties who were killed in action in the Department of Moselle, France; on file in the Office of The Quartermaster General, Washington, D. C.

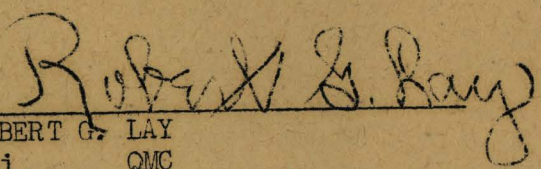

Reference is also made to: Report of Field Investigation, dated 10 July 1950: Attached.

2. All attached supporting documents are copied from records on file this headquarters.

3. It is recommended that the remains, based upon the above information and research, be declared non-recoverable.

Dear Mrs. Slankard:

Your letter pertaining to the remains of your son, the late Technician Fourth Grade Euan J. Slankard, has come to my attention.

With deep regret I must inform you that no information has been received in this office indicating that the remains of your son have been recovered.

A continuous and intensive search is being made of the area in which he died, and it is my sincere hope that it will be possible to recover and re-bury the remains of your son in an established Military cemetery. Meanwhile, please rest assured that when a report is received I will inform you immediately.

A copy of your letter has been forwarded to The Adjutant General, Washington 25, D. C., for direct reply inasmuch as that office has jurisdiction over and knowledge of all matter relative to the circumstances surrounding the death of your son.

All the graves of our deceased military personnel located in the United States Military Cemeteries overseas are marked with a temporary Cross, or Star of David, for identification purposes. However, no markers are erected unless the remains are recovered.

May I extend my sympathy in your great loss.

Sincerely yours,

RICHARD B. COOMBS

Commanding Officer
Kansas City Quartermaster

Dear Officer-

A notice in our local paper tells me the information I so eagerly desire may be obtained through you....

This is my inquiry - If a soldier killed in tank explosion left no remains would there be a marker in some cemetery for him? Our son killed in France, Sept. 18, 1944 was driver of the tank and was killed along with 4 companions. I have brief time and time again to get this information but have not had an answer to my inquiry. Our V.F.W. commander here tells me that some place there is a cross erected with his name on it. If there is we have never been notified, and our letter unanswered. The manner in which he lost his life was given me through a comrade. Only thing I ever rec'd from Post. was "killed in action. please help me if you possibly can." Thanks -
