YRTARS, 329Th INFOMTRY APO U. S. Army

3 July 1945

I, the undersigned, in the execution of my duties as Graves Registration Officer, remember picking up a body in the St. Malo area of the same discription as shown on the attoched form GR No. 1, as X-204. The remains were found underneath a burned boxcar in a railroad yard along the waterfront. The bodies of four or five German soldiers who were shot and burned were removed from the same area which made me reasonably sure that the remains belonged to a German soldier.
