PART A

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

PART B

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mr. Grady:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LANKIN

Dear Mrs. Grady:

Your letter pertaining to the remains of your son, the late Private First Class William H. Grady Jr., has been brought to my attention.

The official report of burial indicates that the remains of your son were originally interred in Breuna, Germany, but were later disinterred and moved to a more appropriate location where constant care and protection could be given our honored dead.

The remains of your son are now properly interred in Plot KK, Row 8, Grave 188 in the United States Military Cemetery Margraten, Holland, located ten miles west of Aachen, Germany.

The "Request for Disposition of Remains" forms regarding this cemetery have not yet been mailed to the next of kin of those heroic dead.

The Return of World War II Dead Program provides for the return of the deceased to their next of kin in a predetermined scheduled sequence of the cemeteries in which they are now buried. Efficient and rapid accomplishment of this tremendous program requires not only close adherence to mailing schedules for the Disposition Forms made in agreement with the scheduled cemetery sequence, but also accurate verification of all vital records of every decedent prior to the mailing of the Disposition Form. When verification for each cemetery is completed, the forms are mailed well in advance of the scheduled processing of the cemetery.

The present schedule for the return of the remains of your son indicates that they may be delivered during the fall of 1948. You will understand I am sure, that unforeseen and unpreventable circumstances may disrupt the Return Program, thereby delaying this estimated date. A more definite date for the return of his remains will be transmitted later, but sufficiently in advance to permit such funeral and personal arrangements as may be desired.

My dear Senator:

Further reference is made to your inquiry in behalf of Mr. William H. Grady, R.F.D. 1, Middletown, Indiana, regarding the burial of his son, Private First Class William H. Grady, Jr., 35906930.

It is hoped that it will be of some comfort to the family of Private Grady to know that he was interred in the United States Military Cemetery, Brauns A/L, Germany, Plot A, Row 8, Grave 148. This cemetery is located approximately fifteen miles northwest of Gensel, Germany.

2/201 Honorable Raymond E. Willis,
United States Senate,
Washington, D. C.

My dear Senator:

Reference is made to your inquiry in behalf of Mr. William H. Grady, R.F.D. 1, Middletown, Indiana, who desires information regarding the burial and return of the remains of his son, Private First Class William H. Grady, Jr., who was killed in action.

It is regretted that a burial report for Private Grady has not, as yet, been received in this office. However, an effort is being made to obtain that report, and upon its receipt, you will be further informed.

Mr. Grady may be informed that, at the beginning of the war, it became necessary to adopt the policy that the remains of our military personnel who die outside the continental limits of the United States be interred locally until cessation of hostilities in all Theaters of Operation.

Until the report of interment is received, this office is unable to assure Mr. Grady that it will be possible to return the remains of his son to the United States for final interment. However, a notation has been made on the official records of this office that it is his desire that the remains of his son be returned to this country, if possible, for a final resting place after the war.

A copy of your inquiry has been forwarded to the Office Chief of Chaplains, Army Service Forces, Washington, D. C., for direct reply regarding the name of the Chaplain who officiated at the final rites.

Lieutenant General Edmund B. Gregory, The Quartermaster General, asks that you kindly express his deep personal sympathy to the family of Private Grady in their great sorrow.

IN REPLY REFER TO _____

Honorable Raymond E. Willis
United States Senate
Washington, D. C.

My dear Senator:

I have your letter of June 13, making inquiry on behalf of Mr. William H. Grady, Middletown, Indiana, about the personal effects of his son, Private First Class William H. Grady, Jr., deceased.

No effects of Private Grady have been received at the Army Effects Bureau, to date. However, it is reasonable to assume that his property ultimately will arrive here. Because of transportation delays usually encountered in the return of effects from overseas, it is unlikely that any of his belongings will reach Kansas City before the early part of October. Promptly upon receipt here, shipment will be made to the father.

I appreciate your interest in this case, which will have my continued attention.

Sincerely,

W. F. REEDMAN
Major Q.M.C.
Asst. Effects Quartermaster
