SUBJECT: Non Recoverable Remains

TO: Non Recoverable Board, AGRC

1. It is recommended that the Board take Action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing in Action or Killed in Action during ground or air operations in the department of Moselle, France, from the period 5 September 1944 to 16 March 1945. Extensive area searches as well as individual investigation have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of Moselle have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Moselle department, for the most part, consists of farm, pasture and forested areas which has been under constant cultivation and supervision by farmers and forest guards, since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide

GROP 293.9

evidence and the lack of association with recovered unknowns would tend to substantiate these conclusions. It is recommended that the remains of the individuals listed in these Board Proceedings be considered Non-Recoverable under the provisions of paragraph 3b, Letter, Office of The Quartermaster General, file QMGMP 293, Subject: Processing Board Findings of Non-Recoverability Return of World War II Dead Program, dated 25 March 1949.

Reference is made to: OQMG Forms 371; After Action Reports, and Casualty Clearance Plan; concerning each decedent; Reports of Field Investigations previously forwarded to The Office of The Quartermaster General, pertaining to resolved casualties who were killed in action in the Department of Moselle, France; on file in the Office of The Quartermaster General, Washington, D. C.

Reference is also made to: Report of Field Investigation, dated 10 July 1950: Attached.

2. All attached supporting documents are copied from records on file this headquarters.

3. It is recommended that the remains, based upon the above information and research, be declared non-recoverable.

The following named persons Infantry, members of Company F and Company K, 11th Infantry Regiment were reported missing in action, not in flying or jump status, in France on 10 September 1944 by ETO Shipment Number 201 and presumed dead as of 11 September 1945 under the provisions of Section 5 Missing Persons Act (SR&D Case Number 4042):

2. A "Missing Report", dated 23 September 1944, signed by Captain K.C. Doty, Personnel Officer 11th Infantry filed in Technical Sergeant Spear's Casualty Section file shows that he was a member of Company F, 11th Infantry and was reported missing in action on 10 September 1944. AG 704 Dead (23 May 50)

a. The records indicate that First Lieutenant James E. Wright, also a member of Company F, 11th Infantry, was reported missing under the same circumstances as Sergeant Spear, although his files do not contain a "Missing Report."

b. Filed in the respective AG 201 files of Sergeant Matuszak and Private First Class Williams are "Missing Reports," dated 1 October 1944, signed by Captain K.C. Doty, Personnel Officer 11th Infantry. The "Missing Reports" are the same in essential detail in each case. The report concerning Sergeant Thaddeus S. Matuszak reads in pertinent part:

"Org: Co 'K', 11th Infantry

"Mission: Duty w/Co. in defense of bridgehead.

"Point of Departure: Bridgehead Ebb Moselle River
3/4 Mi from Dornot, France.

"Intended Destination: On the East bank of the River,
to recross to the West Bank, With the
Company.

"Last Known Whereabouts: on the east bank of the River.

"Brief Resume of Circumstances Surrounding Disappearance:
Company withdrawing across river from bridgehead at
night under enemy fire with scarcity of boats, many of the
men swam the river.

"Statement of Witnesses, If Any: Last seen at dark on the
night of withdrawal. At that time he was in good
health and had not been wounded.

"Remarks: Search of records of aid stations failed to
reveal his evacuation as wounded. Records of
other organizations do not show that he turned in any-
where. No physical check of the ground has been
possible."

c. Filed in the AG 201 file of Bennie Ruffolo is a first indorsement, dated 10 February 1945, from Headquarters, 11th Infantry, signed by Captain K.C. Doty, 11th Infantry Personnel Officer to the Commanding General, 5th Infantry

AG 704 Dead (23 May 50)

Division, which contains the following pertinent information surrounding the disappearance of this enlisted man:

"c. Private Bennie Ruffolo, Company 'K', 11th Infantry, was last seen after dark on the night of 10 September 1944 on the east bank of the Moselle River, at a point about three quarters of a mile east of the village of Dornot, France. Under constant enemy artillery and small arms fire, the temporary bridgehead established on the east bank of the river became untenable and under cover of darkness, units of our forces were disengaging and withdrawing to the east (sic) bank of the Moselle. Because of the scarcity of boats and the fierce artillery barrage raking the riverbank, a number of men attempted to swim the river. When last seen Private Ruffolo was in good health and had not been wounded. A search of records of aid stations treating casualties failed to reveal his evacuation as wounded. No physical check of the ground was possible."

3. The captured German records contain no information relative to the subject persons, nor do the records of the Memorial Division, Office of the Quartermaster General contain any burial information, at the present, on them.

4. The subject persons were members of Companies F and K, 11th Infantry Regiment which departed Dornot, France on 8 September 1944 to establish a bridgehead across the Moselle River, on the east bank about three quarters of a mile east Dornot, France. The 11th Infantry was under constant enemy artillery and small arms fire, and their positions becoming untenable they were ordered to withdraw to the west bank of the Moselle River, under the cover of darkness, on the night of 10 September 1944. The records indicate that some of the men had to swim the river due to a scarcity of boats although there is no available record of any of the subject persons having attempted to swim the river. The subject persons were last seen on the east bank of the river just prior to the evacuation to the west bank. When the organizations were mustered on the morning of 11 September 1944 they were missing. The captured German records contain no information pertaining to the subject persons. Nothing has been seen or heard of them since.

5. It is, therefore, concluded that the information of record in the Department of the Army, at this time, does not conclusively establish the place, date and fact of death pursuant to the provisions of Section 9 of the

AG 704 Dead (23 May 50)

Missing Persons Act and the issuance of an official report of death is not warranted.

Dear Mrs. Wright:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your husband, First Lieutenant James E. Wright:

- 1 footlocker and contents

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your husband.

Yours very truly,
